Key Logs - Log Rolling

Rent \$100/day

FUN!

Invented by Hayward Natives, The Key Log makes log rolling a sport that anyone can participate in.

White Manor Resort has teamed up with Hayward Outfitters to bring you the best canoes and kayaks for rent. The prices include the canoe or kayak, paddles, life jackets, delivery and pick up. We offer many different models. We have canoes with padded seats and seat backs. We have fishing Kayaks. All of our Kayaks have really nice seats and foot braces. Our goal is to fit the canoe or kayak to the paddler. Provide us with height and weight and we will pick the right canoe or kayak for you. If more than one person will be paddling it, provide the largest person's height and weight. You can check out the available options at www.HaywardOutfitters.com
